

Disclaimer

Please note that the only purpose of this publication is to serve as a planning tool and to provide general information; it is not intended to provide specific technical data or legal interpretation. Any and all actual design work must be undertaken by a qualified professional engineer, based upon sound engineering judgment, and subject to legal review. The Franklin Regional Council of Governments, its employees and agents, shall bear no responsibility for any misuse of the contents of the publication.

It is the policy of the Franklin Regional Council of Governments to contract with organizations that agree not to engage in any discriminatory employment practices or in any discrimination in the provision of services based on race, color, religion, national origin, ancestry, age, sex, sexual preference, or disability. The Franklin Regional Council of Governments does not discriminate on the basis of disability with respect to the admission to, access to, or operation of its programs, services or activities. Individuals who need auxiliary aids for effective communication are invited to make their needs known.

This project was funded through the Massachusetts Highway Department and prepared under contract 31024 in cooperation with the United States Department of Transportation, Federal Highway Administration.
